## **2017 Member-Guest Rules and Format**

**USGA RULES** will govern all play except where amended by local rules

**Format:** Four (4) nine-hole matches in flights of 4 teams. Each team will play the other 3 teams with 2 matches Saturday and the third match Sunday morning. Each match has a possible 7 points maximum, with one point awarded to the winner of each hole. Pairings for the 4<sup>th</sup> nine-hole match will be the #1 point total vs. the #4 point total in the flight, and the #2 vs.# 3point totals. The flight winner will be the team with the most points after the 4<sup>th</sup> match.

### Tiebreakers:

1<sup>st</sup> tiebreaker: Head to head results.

2<sup>nd</sup> tiebreaker: Number of points won against 3<sup>rd</sup> Place team in flight.

3<sup>rd</sup> tiebreaker: Number of points won against 4<sup>th</sup> Place team in flight.

4<sup>th</sup> tiebreaker: Coin Flip.

## **Shootout Rules**

The winners of each flight will participate in a “shootout” to determine the Champion. The shootout will begin on Hole #4, then #5, finishing on #6.

**Shootout Format:** Modified Alternate Shot. On the 4<sup>th</sup> tee ONLY, both players may tee off and the team may select which ball to play. On #5 and #6 only one team member will hit. In case of a tie, a “chip-off” will occur with the team whose player is closest to the hole advancing. Teammates may NOT view their partner’s chip. In case of a tie involving the last two teams, Hole #6 will be played again then a “Chip-off” to determine the champion.

**Team Handicap:** The average handicap for the team (rounded up) will apply for the shootout, with the lowest flight winner’s average handicap deducted from the remaining flight winners’ average handicaps and appropriate strokes applied.

1. ***A ball may not be substituted during the play of a hole unless damaged. Do NOT switch balls with your partner. You must determine which ball you will play as a team. The ball is to be played as it lies.***
